Welcome to Gaza Coupon Management System

Given the difficult economic situation in Gaza and the increasing reliance on aid, the project aims to electronically register beneficiaries and automatically assess their social status. It also aims to distribute coupons fairly and enable stores to read and redeem coupons.

Get Started

Features
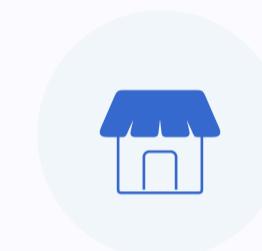

Charity Organizations

An effective tool for organizing and monitoring the distribution of coupons to those in need.

Beneficiaries

Easy access to coupons offered by local charities.

Store

A convenient way to participate in customer service and presentations.
